Long term planning

Using a yearly or semester planner.

A planner can be placed on your wall or by your desk that can allow you to plan your workload over an entire year/semester and helps to remind you about deadlines and commitments.

Place the planner in a position where you have easy access to it

Write in the dates assignments are due and exams scheduled

Work out how long you will need to complete each task

Planning on a Weekly Basis

Different periods of time suit different activities. For example:
